QUIZ 52

October 7, 2020

What is a devil downhead?

There are very few pictures to demonstrate “downhead,” but there are plenty of pictures of Devil Dogs.

Link to ponder:

[Alfred Newton, A Dictionary of Birds](#). Still a standard reference work a century and a quarter later, and loads of fun to simply leaf through.

THE ANSWER IS ON THE NEXT PAGE

A white-breasted nuthatch, the name attested well into the twentieth century.
