

THE MONTCLAIR BIRD CLUB

QUIZ 35

September 20, 2020

What do these three birds have in common?

Link to ponder:

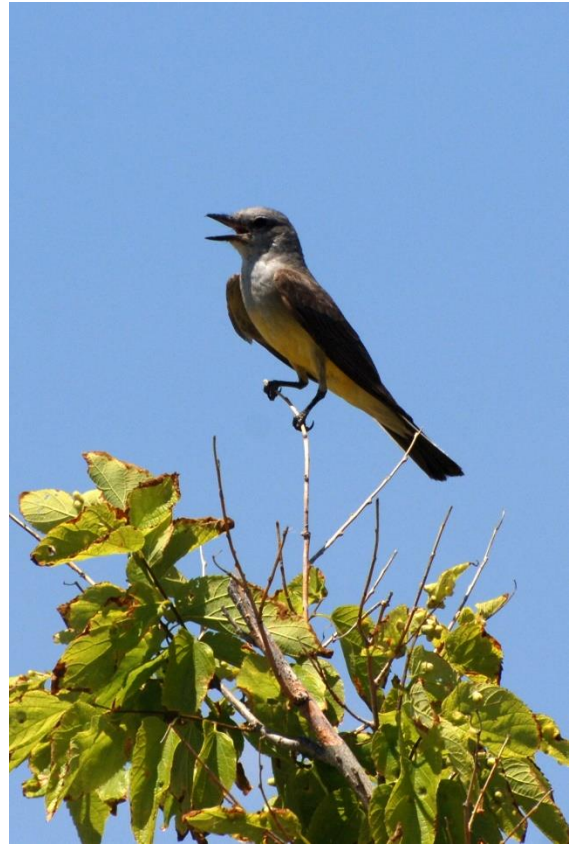

[Rare birds in New Jersey](#). Annual reports of the NJRBC.

THE ANSWER IS ON THE NEXT PAGE

They are all members of the genus *Tyrannus* in the tyrant flycatcher family. Most *Tyrannus* flycatchers are called kingbirds in English.

Tropical Kingbird

Western Kingbird

Eastern Kingbird
