

# THE MONTCLAIR BIRD CLUB

## QUIZ 47

September 16, 2020

What is North America's largest finch?

Link to ponder:

[George Plimpton goes birding](#). The famous Freeport CBC.

**THE ANSWER IS ON THE NEXT PAGE**

Pine grosbeaks, now extremely rare winter vagrants to our area, average ten inches long and can weigh as much as two and a half ounces—more than the largest Baird sandpiper.

**Pine Grosbeak**

**Previous page: yellow-thighed finch, house finch, American goldfinch**
